

LIFE GROUP MINUTES from April 7, 2014

Nancy Kruger opened with a prayer.

There were 16 in attendance.

Candee Cloos presented the benefits of Catholic United Financial and investing with them. She also informed us that we currently have a "unit", but we could be upped to a "council" by creating a parish volunteer team of 50 people minimum. If we can get to "council" status, then we will be eligible for more money through volunteerism.

Anna Laskowske was unable to make it to the meeting so Sherry Monson presented on Mardi Gras. We made about \$3239 before expenses. We are looking at netting about \$2723. It was a great time and everyone had positive comments about the event.

Dena Van Lith presented on how the planning was going for the gala. We are still looking at finding emcees. We have a couple ideas of who would do a great job, just need confirmation from those individuals that they will do it. Donations are still coming in. Still looking for the lady who purchased the VIP gala tickets for this year. We will be putting info in the church bulletin and school newsletter.

This summer we are looking for people to load the semi with paper on Fridays. This will count towards volunteer hours.

We will be meeting again on May 5th to wrap up the year and discuss game day.

We closed with a prayer.

The meeting was adjourned.

Dena Van Lith, LIFE Group Secretary
