

LIFE Meeting Minutes September 21, 2020

The LIFE Meeting was held September 21, 2020 with 9 people attending.

Mrs. Anderson opened the meeting with prayer.

LIFE board members are:

Susie Wendland- President

Nicole Brehmer -Vice President/Secretary

Janine Fonder- Treasurer

Susie Wendland updated that student council will start in January. We are thankful for both Dena and Mandy who help Susie and the kids with the store every other Friday after mass. Plans are still being made to provide a Thanksgiving Meal for families in our community who are less fortunate.

Susie Wendland updated everyone on the Dinner Theater to be held October 16th and 17th at the Speedway Event Center. We will be limiting attendance to 120 each night to provide guests with adequate distance from others. The performance will be under the direction of John & Kim Lightfield and is off to a great start! Susie asked for volunteers from each grade to do the baskets. Winners will be drawn at the end of the performance on Saturday night.

Brenda Anderson provided school news. We have 123 students enrolled preschool-6th grade for the 2020-2021 school year. We welcome Mrs. Whipkey to our St. Lawrence staff as the new 3rd grade teacher. This year's theme is Jesus is WILD about YOU! Greenery packets have been sent home and are due back to the school by October 5th. Mark & Dena VanLith have offered once again to pick up the greenery for us. Due to the current COVID situation plans are still being made for Grandparents Day and the Scholastic Book Fair.

The Golf Tournament that was originally scheduled for September 27th has been cancelled.

Our next meeting will be November 9, 2020 at 7pm

Mrs. Anderson closed the meeting with prayer.

Nicole Brehmer, LIFE Group Vice President/Secretary
