Registration for 2025-2026

We will not have a formal registration day for the 25-26 school year. We won't be having you check over packets, but instead, request that you let the school office know when there are any changes that need to be made to your child's information. Any paperwork that needs to be handed out to parents prior to the start of school will be available at Open House on August 14. School pictures are scheduled for Thursday, August 28.
