Share the Music Day

Share the Music Day is Thursday Jan. 16 during music class. Plan ahead! Students in Grades 1-6 can sing a solo, duet with a friend, or group song that students work on outside of music class, share a dance routine, play our piano or any of our classroom instruments (except the guitar - that is only for birthdays!), play a band or orchestra instrument, or conduct the class in a favorite hymn, MusicPlay song or game.

***Remember to email me with any popular song titles so I can preview videos and lyrics!** Thank you so much for helping me protect our kids!
