

NOVEMBER

November 10-22

THINGS TO KNOW

GRANDPARENTS DAY

Join us for Grandparents Day on Friday, Nov. 11th.

8:30 — Students in grades K-6: Please have grandparents pick up your child from their classroom to sit together at Mass. If you are late, we will have your child waiting in the Gathering Space.

Preschool grandparents will need to bring their grandchild from home or meet parents in the Gathering Space or Church. There will not be preschool class on Friday, Nov. 11 for any students.

9:30 — Please join us in the gym for a snack and craft after Mass.

10:40 — ALL students will leave for Veteran's Day Program at the high school.

12:00 — 6th graders may go out to eat with grandparents.

BOOK FAIR

The book fair will be open until 5:30 on Friday, November 11th. Please make sure to make all of your purchases by then. When we cash out I can't add any additional orders. Thanks for your amazing support of this fundraiser for our library and classrooms! We love getting new books into the hands of our students!

DINNER THEATER

Thank you to everyone who helped with this year's Mystery Dinner Theater in any way! Special thanks to John Lightfield for his time and talent in writing the script. Bravo to our talented actors and actresses who give of themselves to support St. Lawrence School. The LIFE Group did any amazing job in preparing for the two nights with their décor and behind the scenes work that they put into this event. We appreciate your gifts that you share with us! We are excited to see another outstanding performance!
