MUSIC News

Third grade students are looking forward to singing an outdoor concert for St. Williams on Monday, Sept. 21 at 1:15pm. Their songs include: "I Like Singing," "I'm Glad I'm Back at School," "Shake the Papaya Down," and some favorite hymns. They are working on singing solos and are having a great time playing kazoos.

Fifth and sixth graders plan to sing for St. Williams residents on Tuesday, October 6 at 2:20. They will perform songs of peace, including "Peace Like a River," "Shalom," "Dona Nobis Pacem," and "Hevenu Shalom." We are praying for good weather for both of these dates! Parents are welcome to attend from a distance; bring a lawn chair!

Also, Grades 1 – 6 will have "Share the Music Days" once per quarter. The days I have chosen are:

Wednesday/Thursday, October 7-8

Wednesday/Thursday, December 16-17

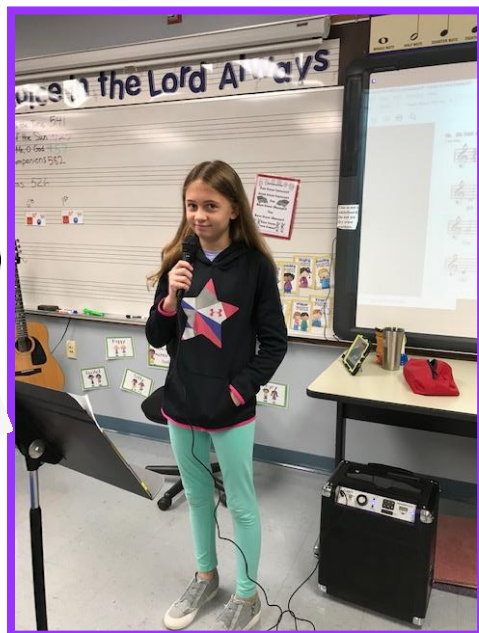

Wednesday/Thursday, February 24-25

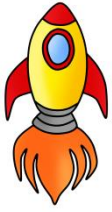

Monday/Tuesday, May 17-18

Students are invited to sing, play an instrument, lead the class in a favorite hymn, improvise on our piano or another classroom instrument, perform together with friends, show us a dance routine to music, or share any other way they can think of to make music! Please plan to participate; I would love to have everyone share something, even making up a simple rhythm would be wonderful! Students practice being good audience members and giving compliments after each performance.

Sixth graders are preparing to be the choir in the balcony. Ella is practicing to lead the singing for Mass.

PreSchool News

Preschoolers are studying space, sorting, and sharing their space ship in their painted Galaxy. They have very creative imaginations! Mrs. Anderson popped in one day and they were looking for meteorites!
