# From the Music Room

**Share the Music Day is coming:** Thursday Oct. 6 during music class. Plan ahead! Students in Grades K-6 can sing a solo, duet with a friend, or group song that students work on outside of music class, share a dance routine, play our piano or any of our classroom instruments (except the guitar - that is only for birthdays!), play a band or orchestra instrument, or conduct the class in a favorite hymn, MusicPlay song or game. Many students like to choose a popular song on YouTube to sing or dance along with; please preview these videos to be sure we don't run into anything inappropriate! Thank you! All students are encouraged to share, but even if they don't, they are learning good audience etiquette, good listening skills, and how to give positive feedback to their classmates.

Music classes will be presenting programs for the St. Williams residents:

5th-6<sup>th</sup> Grade: Thursday 10/27 at 10:25am

4<sup>th</sup> Grade: Thursday 11/10 at 10:25am

Parents and grandparents are invited to attend if they are able.
